## California Department of Education School Accountability Report Card Reported Using Data from the 2016-17 School Year

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### DataQuest

DataQuest is an online data tool located on the [CDE DataQuest Web page](#) that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### Audrey Greene, Principal

Principal, Shasta Elementary

#### About Our School

Thank you for expressing interest in learning more about Shasta Elementary School, the heart of our community. Academic excellence, implementation of Character Education, and P.R.I.D.E. in individual personal growth are essential elements of the Hornet's educational program. We believe that our staff has the expertise, commitment, and skills necessary to inspire and teach our diverse group of learners. We take great pride in the student centered philosophy that is the focus of our vision; by working together, we are confident that this vision will become a reality. At Shasta School, we have implemented a Positive Behaviors Schoolwide Incentive Program that promotes Perseverance, Respect, Integrity, Diversity and Excellence.

### School Description and Mission Statement (School Year 2017-18)

Shasta Elementary School is a K-8 campus of approximately 800 students centrally located within Manteca's city limits. We are a neighborhood walk-in school with busing for special education and overflow students. Our campus is 51 years old, and we are very proud of the results of the recent multi-million dollar renovation funded by Measure G which included a new Classroom Building with a new Kindergarten suite and four other classrooms. We have received a new play apparatus as well. In addition to the new classrooms, we have a new Administration office, and increased parking to our front parking lot.

Historically, Shasta is recognized within the district for its consistently high academic standards and student performance. We provide our students with the best available interventions at our disposal, including READ 180, Give Every Child A Chance one-to-one tutoring, MobyMax, Mine Craft for Education, Moving Into English, Rosetta Stone, and before and after school tutorials upon request. We have also joined Give Every Child a Chance to host an after school three hour program that provides on average 120 students daily with homework support, physical activity, and enrichment at no cost to our families. In addition to these programs, Shasta School has developed a Learning Center Model to deliver Special Education services to our 6th – 8th grade students. This program has led to measurable academic gains for our Special Education students and promotes full inclusion. Strong parental support and involvement compliments our well-trained and NCLB highly qualified staff of professionals.

Shasta Elementary School believes that the effectiveness of the educational program hinges on being able to anticipate the future and make provisions for change. The Manteca Unified School District Board of Education clearly defines the broad scope of the educational program and allocates funds and resources to implement a quality educational program. The District believes that we should be a community of learners, focusing on values, knowledge, and skills in a safe and secure environment that will encourage student success. Our district is committed to establishing high academic standards for student-centered education.

We believe in emphasizing a positive attitude through the teaching of life-skills, responsibility, and self-discipline. We encourage acceptance, tolerance, and respect for others. We believe in creating an atmosphere of trust in which the opinions, values and attitudes of our community of learners are respected and celebrated. To support our students as they endeavor to increase their social emotional strengths, we have implemented a program designed to promote self-regulation skills, social-emotional competencies, and increase school connectedness.

**Student Enrollment by Grade Level (School Year 2016-17)**

Grade Level	Number of Students
Kindergarten	77
Grade 1	79
Grade 2	82
Grade 3	87
Grade 4	97
Grade 5	86
Grade 6	78
Grade 7	87
Grade 8	71
Total Enrollment	744

Last updated: 1/3/2018

**Student Enrollment by Student Group (School Year 2016-17)**

Student Group	Percent of Total Enrollment
Black or African American	1.1 %
American Indian or Alaska Native	0.1 %
Asian	2.6 %
Filipino	0.3 %
Hispanic or Latino	73.0 %
Native Hawaiian or Pacific Islander	0.3 %
White	19.8 %
Two or More Races	3.0 %
Other	-0.2 %
Student Group (Other)	Percent of Total Enrollment
Socioeconomically Disadvantaged	75.5 %
English Learners	36.7 %
Students with Disabilities	15.1 %
Foster Youth	0.1 %

Last updated: 1/3/2018

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

#### Teacher Credentials

Teachers	School			District
	2015-16	2016-17	2017-18	2017-18
With Full Credential	31	29	29	988
Without Full Credential	2	4	6	100
Teachers Teaching Outside Subject Area of Competence (with full credential)	0	0	0	0

Last updated: 12/21/2017

#### Teacher Misassignments and Vacant Teacher Positions

Indicator	2015-16	2016-17	2017-18
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments*	0	0	0
Vacant Teacher Positions	3	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

\* Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

## School Facility Conditions and Planned Improvements

The District takes great effort to ensure that all schools are clean, safe, and functional. To assist in this effort, the District uses the Facility Inspection Tool (FIT) instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the District Office. Below is more specific information on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment.

### Age of School Buildings.

Shasta School was completed in 1966, including the administration offices and five classroom buildings. The campus was modernized in 2015/2016. The project is completed, the campus now includes 33 permanent classrooms, 10 portable classrooms, an administration building, a multipurpose room and library.

### Maintenance and Repair.

District maintenance staff ensures that repairs necessary to keep schools in good working order are completed in a timely manner. A work order process is used to ensure efficient service and emergency repairs are given the highest priority.

### Cleaning Process and Schedule.

The District's governing Board has adopted cleaning standards for all schools in the District. A summary of these standards is available at the school office and at the District Office. Staff works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

### Deferred Maintenance Program.

The District allocates funding for deferred maintenance. The Deferred Maintenance Program includes funding for replacement of existing school building components so that the educational process may safely continue. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, wall systems, floor systems, etc. The District's 2017-2018 budget allocated \$640,000 to address deferred maintenance needs throughout the district.

### Modernization Projects.

The District is currently modernizing this campus based upon the District's 2014 Facility Master Plan. As part of that activity there are projects planned at Shasta which were completed through the use of local funds. State funding application for those portions of projects which may be eligible for modernization funding have been submitted.

## School Facility Good Repair Status

Year and month of the most recent FIT report: June 2017

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	
Interior: Interior Surfaces	Fair	
Cleanliness: Overall Cleanliness, Pest/Vermin Infestation	Good	
Electrical: Electrical	Good	
Restrooms/Fountains: Restrooms, Sinks/Fountains	Good	
Safety: Fire Safety, Hazardous Materials	Good	
Structural: Structural Damage, Roofs	Good	
External: Playground/School Grounds, Windows/Doors/Gates/Fences	Good	

## Overall Facility Rate

Year and month of the most recent FIT report: June 2017

Overall Rating	Good
----------------	------

*Last updated: 12/20/2017*

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

#### CAASPP Test Results in ELA and Mathematics for All Students

##### Grades Three through Eight and Grade Eleven (School Year 2016-17)

Subject	Percentage of Students Meeting or Exceeding the State Standards					
	School		District		State	
	2015-16	2016-17	2015-16	2016-17	2015-16	2016-17
English Language Arts / Literacy (grades 3-8 and 11)	33%	36%	39%	41%	48%	48%
Mathematics (grades 3-8 and 11)	26%	26%	25%	25%	36%	37%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

*Last updated: 1/3/2018*

**CAASPP Test Results in ELA by Student Group****Grades Three through Eight and Grade Eleven (School Year 2016-17)**

<b>Student Group</b>	<b>Total Enrollment</b>	<b>Number Tested</b>	<b>Percent Tested</b>	<b>Percent Met or Exceeded</b>
All Students	529	518	97.92%	35.59%
Male	267	261	97.75%	28.46%
Female	262	257	98.09%	42.80%
Black or African American	--	--	--	--
American Indian or Alaska Native	--	--	--	--
Asian	20	17	85.00%	41.18%
Filipino	--	--	--	--
Hispanic or Latino	381	375	98.43%	31.28%
Native Hawaiian or Pacific Islander	--	--	--	--
White	105	103	98.10%	51.46%
Two or More Races	13	13	100.00%	46.15%
Socioeconomically Disadvantaged	432	421	97.45%	32.14%
English Learners	232	228	98.28%	23.79%
Students with Disabilities	96	92	95.83%	--
Students Receiving Migrant Education Services				
Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3--Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

*Last updated: 1/3/2018*

**CAASPP Test Results in Mathematics by Student Group****Grades Three through Eight and Grade Eleven (School Year 2016-17)**

<b>Student Group</b>	<b>Total Enrollment</b>	<b>Number Tested</b>	<b>Percent Tested</b>	<b>Percent Met or Exceeded</b>
All Students	525	517	98.48%	26.11%

Female	261	258	98.85%	27.91%
Black or African American	--	--	--	--
American Indian or Alaska Native	--	--	--	--
Asian	20	20	100.00%	40.00%
Filipino	--	--	--	--
Hispanic or Latino	379	374	98.68%	22.99%
Native Hawaiian or Pacific Islander	--	--	--	--
White	104	101	97.12%	36.63%
Two or More Races	12	12	100.00%	25.00%
Socioeconomically Disadvantaged	428	421	98.36%	22.33%
English Learners	230	230	100.00%	18.70%
Students with Disabilities	96	92	95.83%	--
Students Receiving Migrant Education Services				
Foster Youth	--	--	--	--

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3--Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

*Last updated: 1/3/2018*

**CAASPP Test Results in Science for All Students****Grades Five, Eight and Ten**

Subject	Percentage of Students Scoring at Proficient or Advanced					
	School		District		State	
	2014-15	2015-16	2014-15	2015-16	2014-15	2015-16
Science (grades 5, 8, and 10)	39.0%	19.0%	44.0%	41.0%	56%	54%

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

*Last updated: 1/3/2018*

# State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

## California Physical Fitness Test Results (School Year 2016-17)

Grade Level	Percentage of Students Meeting Fitness Standards		
	Four of Six Fitness Standards	Five of Six Fitness Standards	Six of Six Fitness Standards
5	20.9%	18.6%	5.8%
7	18.4%	20.7%	32.2%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

*Last updated: 1/3/2018*

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite

#### Opportunities for Parental Involvement (School Year 2017-18)

The success of a school is strongly influenced by the support of parents and the school community as a whole. Shasta School enjoys great parent involvement and utilizes the services of the Shasta Community Club as well as the School Site Council to support students and school programs. Call our school at (209) 858-7400 to find out how you can get more involved with your child's education.

Manteca Unified School District strives to coordinate and communicate with the community including police, fire and other governmental agencies, news media, medical agencies and other community organizations. A few examples of such coordination and communication with community agencies include programs such as fire prevention, water safety, parks and recreation activities, the community gymnasium, bike safety, and our Police School Resource Officers.

Parents regularly volunteer in the classroom and are actively involved in the School Site Council, school-wide planning, parent conferences, bilingual parent support groups, and various parent committees for fundraisers and field trips. The school publishes a monthly newsletter that is distributed and sent home with students.

### State Priority: Pupil Engagement

*Last updated: 12/8/2017*

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates

# State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

## Suspensions and Expulsions

Rate	School			District			State		
	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17
Suspensions	5.9%	6.6%	4.1%	9.7%	9.8%	6.5%	3.8%	3.7%	3.7%
Expulsions	0.2%	0.3%	0.2%	0.2%	0.3%	0.1%	0.1%	0.1%	0.1%

Last updated: 1/3/2018

## School Safety Plan (School Year 2017-18)

All of the school sites in Manteca Unified School District annually update the Disaster Plan and School Safety Plan. The plan was revised by Safe Schools Consultants according to the required adoption process with appropriate School Site Council public hearings and School Safety Planning Committee input. Teachers and staff annually receive training on disaster procedures. Teachers and staff received ongoing training throughout the 2017-2018 school year in order to meet the appropriate guidelines established by the state. The safety plans are confirmed and approved by March 1, 2018.

Manteca Unified School District continues to make strides in the improvement of the educational climate and reduced disruptions in the classroom by "putting kids first" and asking the question, "Is it good for the children?" The safety of students and the security of campuses are high priorities in MUSD. School personnel and students participate in monthly disaster preparedness drills including specific procedures for fire, earthquake, flood, civil disturbance, and hazardous chemical situations. The school sites also focus on establishing goals that are needed.

The District has established procedures for submitting complaints against personnel and programs. An information brochure, policies, and forms are available to the public at the school site, on the District's website, and in all offices. Also, a nondiscrimination/harassment report form is used to help staff in reporting and tracking data.

Our schools work hard to improve academic achievement and provide alternative programming for "at risk" students. In addition, authorized prevention activities include conflict resolution strategies, before and after school programs, and district-wide efforts to prevent illegal gang activities with Drug Free and Tobacco Free School Zones clearly established and posted. Our District seeks grants and utilizes the Health Services Department to meet the health and counseling needs of students.

## D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

### Federal Intervention Program (School Year 2017-18)

Indicator	School	District

## Types of Services Funded (Fiscal Year 2016-17)

All Manteca schools receive equal allocations of general fund support for staffing, instructional materials and supplies, custodian needs, and other uses. Funding for the support services such as maintenance of buildings and grounds, utilities, and student transportation is budgeted on a district-wide, centralized basis and provided to each school site-based on the unique needs of the individual school.

In addition to its support from the local general fund, each school in the Manteca Unified School District receives yearly allocations from various state and federal categorical programs. The purposes of these categorical programs range from improving the quality of the total instructional program for all students to addressing the unique needs of special groups of students such as limited-English proficient, academically deficient, and students at risk of dropping out of school.

## Professional Development

Professional Development. Manteca Unified School District uses a number of models for professional development. The district has adopted the K-12 California State Content Standards for Math and English Language Arts, along with the California English Language Development (ELD) Standards, and the Next Generation Science Standards (NGSS). Beginning with the 2017-18 school year an emphasis will be placed on providing school site teams with continual training to use

assessment data to shift classroom instruction with the majority of the focus on mathematics. During the 2016-2017 school year, an emphasis was placed on providing teachers with continual training to implement the new standards, new ELA/ELD curriculum, deeper implementation of the math curriculum, infusing technology in the classroom, and the district's 1:1 digital initiative.

As with all training in the district, the focus will be on creating a student-centered approach in teaching that is geared towards providing students with the skills and content necessary for College and/or Career Readiness in the 21st Century. The major emphasis of professional development will be to train teachers to meet the California State Content Standards through a focus on Math, ELA/ELD, NGSS, and Technology. Teacher training opportunities are being provided through district office and site offerings, 24/7 access to an on-line digital platform, and during three Manteca Unified School District staff development days. The district has other opportunities for teacher training including the Teacher Induction Program, CCSS Implementation Walkthrough Training, 4th-5th grades ELD focused teacher district pull-out days, K-8 teacher curricular committees, 9-12 Professional Learning Communities (PLC), 9-12 Quality Instruction for Student Achievement (QISA), and high school teacher curricular committees, and along with a variety of other subject-area training is available.
