- **Where can my child get this vaccine?**
 - ❖ Your medical provider

What else do I need to do?

- **Your child will not be registered without updated immunization documentation.**

What if my child is unable to take this vaccine for medical reasons?

CCR Title 17, Division 1, Chapter 4 allows for medical waivers obtained from your physician. The waiver must include the medical condition prohibiting immunization, which vaccine is to be exempted, whether the medical exemption is permanent or temporary and the date the medical exemption ends. **New law only allows temporary Medical exemptions for a maximum of twelve months.**
