#proudtobemusd

Welcome to the Manteca Unified School District. The School Board defines the overall vision and mission statements to serve as guidance and to clarify purpose for the district. Annually the Board of Trustees reviews and re-adopts the goals and objectives as set forth in this document.

Vision Statement:
Manteca Unified School District will ensure every school day is relevant, rigorous, and leads students to become productive and engaged members of a global society while residing in the central valley.

Mission Statement:
MUSD is committed to providing a safe environment where all students will thrive with the tools, resources and support needed to achieve their academic and personal potentials.

Board Goals:
MUSD promotes a culturally proficient, safe learning and working environment.

MUSD promotes a creative and collaborative educational system founded on a Pre-K through 5th grade program that supports critical thinking and effective communication as students achieve or exceed proficiency.

As students build upon that foundation; they will discover a 6th-8th grade program that engages future ready learners; and as they move into 9th-12th grades, individual needs of students will be uniquely met to prepare them for their future success.

MUSD promotes a shift in thinking with the relationship between teaching and student learning.

Objectives:
Provide programs, resources and support designed to improve the academic performance of all students including unduplicated students as defined by LCAP.

Provide School Readiness Programs for all 4-year olds.

Support District-wide student wellness programs and activities which promote good nutrition, healthy living, physical fitness, and positive self image.

Support LOGIC, AgVenture, Steppin' Out, Planet Party, Science Camp, and Career Pathway events.

Support programming that connects and engages 6th-8th grade students.

Support and expand Pathway Programs for 9th-12th grades including, but not limited to Vocational Education, Career and Technical Education, Advanced Placement, Honors, Visual and

Performing Arts, and other programs that promote rigor and relevance for all students to be future ready.

Work with staff, the community, and the Board to maintain a fiscally sound budget.

Continue to maintain a positive working relationship among and across all employee groups.

Continue to support efforts to improve existing school facilities so that these facilities remain safe and effective places to learn.

Develop communications and outreach efforts that enhance support of MUSD and its schools throughout the community.
