

Supplemental Educational Services

Supplemental education services (SES) are additional academic instruction provided outside the regular school day and designed to increase the academic achievement of students attending schools in Program Improvement (PI) Year 2 through 5. SES, or free tutoring, must be high quality, research based, and specifically designed to increase student academic achievement. Eligible students are all low income students who attend French Camp or Sequoia Schools. French Camp is in Program Improvement Year 3 and Sequoia is in Program Improvement Year 2. Manteca Unified School District has two enrollment periods. Letters are sent home to eligible families. In addition, Manteca Unified School District advertises enrollment information at various businesses and community programs such as restaurants, hair salons, libraries, as well as at the schools themselves.

The Enrollment Period for SES

First Enrollment: October 19, 2015 – November 06, 2015
Second Enrollment: January 14, 2016 – January 28, 2016
