Mr. Lane's Science Recycling Program

We voted to house Mr. Lane's Science money from the recycling program he started.

REPORT ITEMS:

Walk-Jog-A-Thon October 2, 2009

This even was held on Friday October 2, 2009. We initially brought in \$1800 and we are still collecting money. We also had a great turnout of volunteers.

Harvest Festival October 29th

We discussed that the date of this event has changed. The Harvest Festival will be held on Thursday October 29, 2009. Community Club has volunteered to purchase all food and supplies needed for the food portion of festival. In addition we are willing to help each grade level set up their booths. Helen Jackson stated that she has made a flyer telling parents about the Harvest Festival in addition to a flyer asking for volunteers and candy donations. After the meeting a couple of suggestions were made. The first is that we use the all call system to let parents know of this upcoming event and the date. The other suggestion was to place an ad in the Manteca Bulletin to encourage community attendance.

Open Floor

Helen Jackson stated that we are looking for a new parent to take over the Cartridges for Kids recycling program. We have a parent who has been doing it but her daughter is graduating and we need to find someone to take on this task. Mark Condit volunteered to take on this job.

Laurie Bayramian brought up the fact that the Shasta website does not have current Community Club info on it. Helen Jackson stated that this has been a low priority but she will contact Mr. Lane to see if there is a way to get it updated in a more timely fashion.
