

Community Club Minutes
November 3, 2009

Secretary Helen Hankal-Jackson called the meeting to order at 4:02 and led the flag salute.

ACTION ITEMS

Minutes - The minutes of October 6, 2009 meetings were distributed. The minutes were approved by those in attendance.

Treasurer's Report - The treasurer's report was not distributed. It was explained that since moving the meetings to the first Tuesday of the month, the treasurer, Amanda Sephos, does not get the bank statement in time to do the treasurer's report. So moving forward we will be two months behind on our treasurer's reports. Amanda will be able to give us approximate balances on any of our sub accounts with in the report.

Turkeys R Us

We discussed how the Community Club donates \$100 to Turkeys R Us every year. A motion was made to again donate \$100 to Turkeys R Us and was approved by those in attendance.

REPORT ITEMS:

Walk-Jog-A-Thon October 2, 2009

Our final total for the Walk-Jog-A-Thon was \$8,252.00.

Harvest Festival October 29th

The Harvest Festival was a grand success. We made approximately \$1645.00 in profits. We have had a few suggestions for next year.

See's Candy Fundraiser

We are currently having our Christmas See's candy fundraiser. All proceeds go to grade levels to help pay for standard based field trips and activities.

Scholastic Book Fair

Community Club is holding the Scholastic book Fair on November 17, 18 & 19 during conference week. Hours of operation will be from 8:30am-9:00am and then from 1:00pm - 3:00pm each day. On Tuesday November 17th we will also be open from 4:00pm- 7:00pm to coincide with the late night conferences.

Yellow Paint on Playground

Due to the fact that Mrs. Greene was unable to attend our meeting this item was tabled until the next meeting.

Teacher of the Month Parking Sign

Community Club is looking into purchasing a parking sign for the Teacher of the Month parking space in the front parking lot. Rosemarie Craighead is working on this.

Christmas Secret Santa Workshop

Community Club is again sponsoring Santa's Secret Workshop in December. We offer items priced from 25¢ to \$5.00 for students to purchase for their loved ones at the holidays. We are currently looking for gently used items to be donated to this event. We will have box located on the table in the lobby area of the Vice Principal's office.

Shasta Website - Community Club page update

Helen Hankal-Jackson spoke with Mr. Lane regarding updating the site. He explained that he is the only one authorized to make changes to the website. He said that he is happy to update our site. Helen agreed to send him minutes, newsletter and any other info for him to post in a timely fashion.

Basketballs - Shane Carpenter

Shane Carpenter did not attend the meeting so this item was not discussed.

Cartridges for Kids

Helen Hankal-Jackson stated that our current parent handling this will continue to do so for the remainder of the year. She apologized for not having picked up the cartridges but she was waiting for the shipping labels. She has now received the labels and plans to be in on Thursday to get the cartridges.

Open Floor

Mr. Willett suggested that we get a large banner to advertise our meetings and other events rather than the "sandwich" board we have been using. Helen and Amanda stated that we do have a large banner but we forget to put it up and when we do remember we tend to forget to take it down. We agreed that a better place to hang it might be on the fence near the front parking lot. We will work harder at doing this.

Mrs. Schneider stated that several teachers asked her to mention that one of the microwaves in the teacher's lounge has gone out and the other is on its last leg. They wanted to know if Community Club could replace one or both of the microwaves. Mrs. Niford stated that Mrs. Foehringer left one in the library when she retired so we might be able to use that one until we can get another one. There was some discussion that this might be an issue to bring up at social committee. Mrs. Marks said she would put in on the Social Committee agenda. Helen stated she might have one to donate as did Amanda.

Adjournment
