Dear Parents/Guardians and Families of Manteca Unified:

It is with much anticipation that I welcome you back to school for the 2021-22 school year!

The beginning of a new school year reminds us that the future is full of growth and possibilities, and we at Manteca Unified are honored to be part of your child's growing and educational journey.

Your teachers, support staff, administration teams, and Board of Education have planned and prepared for your return, and *we are excited to look ahead!* We've dedicated time this summer to evaluate, refine, and redefine our strategies for student success using measurable and meaningful data. Our efforts are aligned and structured to provide your child(ren) the support they need to meet grade-level standards, feel safe, and realize individual success. Our focus continues to ensure every student has access within their classroom to all the resources they need to achieve. We remain determined to prioritize and fund the essentials of the classroom first.

On August 4, 2021, we will return to a full-time and in-person learning environment. As we continue to navigate current health conditions, we want you to know that school is a safe place. We have updated the Manteca Unified COVID-19 Safety Plan for the 2021-22 school year, and I urge you to review this plan: [www.mantecausd.net/csp](http://www.mantecausd.net/csp). You will find that we are implementing our most effective health and safety practices from last year and following state and local health guidance as required. As parent engagement is critical to student success, after reviewing the plan, we ask for your feedback in a survey.

With commitment and integrity,

Dr. Clark Burke

Superintendent of Manteca Unified School District

Queridos padres/guardianes y familias del Distrito Escolar Unificado de Manteca:

¡Es con mucha anticipación que les doy la bienvenida al año escolar 2021-2022!

El comienzo de un nuevo año escolar nos recuerda que el futuro está lleno de posibilidades y crecimiento, nosotros aquí en el Distrito Escolar Unificado de Manteca nos honra ser parte del crecimiento y camino educacional de sus niños.

Sus maestros, personal de apoyo, equipos administrativos y la Junta de Educación hemos planeado y preparado para su regreso, y *¡estamos emocionados en mirar al frente!* Dedicamos tiempo este verano para evaluar, refinar y definir nuestras estrategias para el éxito estudiantil utilizando datos significativos y medibles. Nuestros esfuerzos están estructurados y alineados para proporcionarle a sus hijos e hijas el apoyo que necesitan para alcanzar los estándares de nivel de grado, sentirse seguros, y realizar su éxito individual. Nuestro enfoque continúa asegurándonos que cada estudiante tenga acceso dentro de su salón de clases a todos los recursos necesarios para el éxito. Nos mantenemos determinados en priorizar y financiar lo esencial del salón de clases primero.

El 4 de agosto del 2021, regresaremos a un entorno de aprendizaje de tiempo completo y en persona. Mientras continuamos navegando las actuales condiciones de salud, queremos que sepan que las escuelas son un lugar seguro. Hemos actualizado el Plan de Salud contra el COVID-19 del Distrito Escolar Unificado de Manteca para el año 2021-22, y les incito a que revisen este plan: [www.mantecausd.net/csp](http://www.mantecausd.net/csp). Usted encontrara que este implementa de nuevo nuestras prácticas de salud y seguridad más efectivas del año pasado, siguiendo las guías estatales y locales de salud según sean necesario. Ya que la involucración de los padres es fundamental para el éxito de los estudiantes, después de revisar el plan, les pedimos que nos compartan sus comentarios por medio de una encuesta.

Con compromiso e integridad,

Dr. Clark Burke

Superintendente del Distrito Escolar Unificado de Manteca
