

Student Score Reports (SSR) Available Online NOW

Parents,

Beginning with the 2018-19 school year, MUSD will offer confidential CAASPP student score reports online through the district's secure Parent Connect website.

<https://q.musd.net/parent>

Since the California Department of Education is no longer providing CAASPP student score reports printed on paper, parents/guardians will not receive them by mail as in past years.

Once a Parent Connect account is set-up, parents/guardians will be able to quickly view, download, or print their child's online score report at any time!

Results from previous years will also be available. As you can see below, there will be a new section at Parent Connect called "California Electronic Score Reports."

Simply click the icon next to the test you wish to see and the report will open.

Parents/guardians may also contact their child's school office to request a paper copy of the report or if they need assistance setting up a Parent Connect account.

Prior year CAASPP results are available through the California Department of Education's website.

<http://caaspp.cde.ca.gov/>

Contact your child's teacher to further discuss your child's testing results.

Learn more about CAASPP testing at:
