Welcome to Sierra High School. We are looking forward to meeting you and having you become a part of our outstanding tradition of developing scholar-athletes.

If you are interested in playing a sport at Sierra High School next year, you must get a sport physical prior to the beginning of your athletic season. Please be sure to stop by the front office to pick up a physical form, prior to getting your physical. Contact Andrew Lee at 858-7410 for more information.

Many of our programs condition and hold camps and/or clinics during the summer and prior to the start of their sport season. You must have a physical on file at Sierra High School, in order to participate in these programs. If you would like more information about your specific sport, I encourage you to contact any of the coaches that are listed below.
