School Accountability Report Card

Reported Using Data from the 2018-19 School Year

Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

School Facility Conditions and Planned Improvements (Most Recent Year)

The District takes great effort to ensure that all schools are clean, safe, and functional. To assist in this effort, the District uses the Facility Inspection Tool (FIT) instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the District Office. Below is more specific information on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment.

Age of School Buildings

The main classroom building was built in 1947 adding six classrooms and a library in 1953, another classroom in 1955, and a cafeteria in 1959. Buildings were modernized in 1989. Portable classrooms were constructed in 1975, 1981, 1992, 1997, 1999, 2001, and 2003. The campus has recently been modernized! This modernization constructed a new administration and cafeteria building, modernized existing classrooms, as well as removed several portable classrooms. The existing administration space was converted to classrooms. After the modernization the campus includes 38 classrooms, a new cafeteria, a new administration building, a new kitchen and a multi-purpose room.

Maintenance and Repair

District maintenance staff ensures that repairs necessary to keep schools in good working order are completed in a timely manner. A work order process is used to ensure efficient service and emergency repairs are given the highest priority.

Cleaning Process and Schedule

The District's governing Board has adopted cleaning standards for all schools in the District. A summary of these standards is available at the school office and at the District Office. Staff works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Deferred Maintenance Program

The District allocates funding for deferred maintenance. The Deferred Maintenance Program includes funding for replacement of existing school building components so that the educational process may safely continue. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, wall systems, floor systems, etc. The District's 2019-2020 budget allocated \$640,000 to address deferred maintenance needs throughout the district.

Modernization Projects

The District is currently planning to renovate and modernize its schools based upon the District's 2014 Facility Master plan. As part of that activity there are projects planned at the campus which will be completed through the use of local funds. State funding will also be sought for those projects which may be eligible for modernization. Modernization of the existing campus was completed in 2017.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

Year and month of the most recent FIT report: July 2019

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	
Interior: Interior Surfaces	Fair	
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	
Electrical: Electrical	Good

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	18	18	28	29	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2019-20)

Lincoln Elementary School Parent & Family Engagement Policy

The staff of Lincoln Elementary School believes that education is a cooperative effort between the school and home. Parents are encouraged to actively participate in parent engagement activities on a regular basis. During these meetings, parent input is welcomed to assist Lincoln Elementary improve upon the development and implementation of our school plan, school compact and the review of data to determine the needs of students and where to focus our resources.

- Parents will be encouraged to serve as members of the School Site Council, English Learners Advisory Council, and Parent Teacher Club.
- Parents will be elected to serve on District Advisory Committees (District Advisory for State and Federal Programs, and District English Learners Advisory Committee)
- Parents/Guardians will be encouraged to attend Title 1 Meetings, serve as volunteers in the school, attend student performances and school meetings, and participate in other activities that will assist them in the understanding of the school setting and working with their child.
- Lincoln Elementary School staff will strive to build consistent and effective communication between the home and school. This will be accomplished through monthly newsletters, parent/teacher conferences, parent/teacher communication, parental information sessions, NTI messages, Lincoln Facebook page, Lincoln website, Q parent Connect, teacher to parent remind app, and class dojo.
- Parents/Guardians will be offered opportunities to learn techniques and strategies that they can use to improve their childrens' academic success and help their children in learning at home.
- Administrators, teachers, and staff will be trained to communicate effectively with parents through staff development training, conferences, in-services, and/or related workshops. Personnel will also be educated on the value of parent contributions and how to reach out to, and work with, parents as equal partners.
- An annual meeting will be held to inform parents of the Title 1 program and its requirements.
- The process for providing parents of Title 1 students with timely information about the program, overall student performance, individual student assessment results, school curriculum, types of assessment, and proficiency level and state standards will be accomplished through such methods at meetings, conferences, parenting classes, and newsletters.
- A teacher/student/parent compact will be distributed, signed, and returned to school at the beginning of the year. New students entering Lincoln will be given the compact as part of the registration process.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2019-20)

All school sites in the Manteca Unified School District annually update the Disaster Plan and School Safety Plan. The plan was revised by Safe Schools Consultants and Site Administration according to the required adoption process with appropriate School Site Council public hearings and School Safety Planning Committee input. Teachers and staff annually receive training on disaster procedures. Teachers and staff received ongoing training throughout the 2019-2020 school year in order to meet the appropriate guidelines established by the state. The safety plans are confirmed and approved by March 1, 2020.

Manteca Unified School District continues to make strides in the improvement of the educational climate and reduced disruptions in the classroom by “putting kids first” and asking the question, “Is it good for the children?” The safety of students and the security of campuses are high priorities in MUSD. School personnel and students participate in monthly disaster preparedness drills including specific procedures for fire, earthquake, flood, civil disturbance, and hazardous chemical situations. The school sites also focus on establishing goals that are needed.

The District has established procedures for submitting complaints against personnel and programs. An information brochure, policies, and forms are available to the public at the school site, on the District’s website, and in all offices. Also, a nondiscrimination/harassment report form is used to help staff in reporting and tracking data.

Our schools work hard to improve academic achievement and provide alternative programming for “at risk” students. In addition, authorized prevention activities include conflict resolution strategies, before and after school programs, and district-wide efforts to prevent illegal gang activities with Drug Free and Tobacco Free School Zones clearly established and posted. Our District seeks grants and utilizes the Health Services Department to meet the health and counseling needs of students.

Types of Services Funded (Fiscal Year 2018-19)

All Manteca schools receive equal allocations of general fund support for staffing, instructional materials and supplies, custodian needs, and other uses. Funding for the support services such as maintenance of buildings and grounds, utilities, and student transportation is budgeted on a district-wide, centralized basis and provided to each school site-based on the unique needs of the individual school.

In addition to its support from the local general fund, each school in the Manteca Unified School District receives yearly allocations from various state and federal categorical programs. The purposes of these categorical programs range from improving the quality of the total instructional program for all students to addressing the unique needs of special groups of students such as limited-English proficient, academically deficient, and students at risk of dropping out of school

Professional Development (Most Recent Three Years)

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	113	115	115

Manteca Unified School District continuously analyzes data to determine professional development needs. As a district we then select our major focus areas for staff development for each school year and then plan out our district professional learning calendar. Manteca Unified provides a variety of professional development methods through pull-out days, after-school trainings, conferences, observations, mentoring, and live/archived webinars. In addition, teachers are supported during implementation through in-person coaching, virtual coaching, and principal/staff meetings.
