School Accountability Report Card

Reported Using Data from the 2018-19 School Year

Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2019-20)

About Our School

Sequoia School, in partnership with its parents and community, is dedicated to continued high expectations of all students in a safe and secure learning environment. We are committed to providing academic support and life skills with current technology for all students to reach their fullest potential. Sequoia continues to achieve academic success by building a growing community of learners through collaboration with students, parents, teacher, support staff, and community members to create a school environment conducive to student success

School Description and Mission Statement

Sequoia School is a K-8 school with an enrollment of approximately 810 students located in the center of the City of Manteca. The staff includes a full-time principal and vice-principal. There are thirty classroom teachers, two resource specialists and a part time music specialist. Additional credentialed personnel include a speech therapist, a fulltime Read 180/System 44 teacher, one full time ELA intervention teacher, and a part time psychologist. Other personnel vital to the effective operation of our school include a librarian, digital support technician, three bilingual aides, two resource paraprofessionals, two kindergarten paraprofessionals, an office manager, an attendance clerk, health clerk, custodians and yard supervisors. Approximately 78% of the students are identified as being socio-economically disadvantaged.

Sequoia's students come to the school from the surrounding neighborhoods. All students are within walking range of the site, and the majority live in single-family homes. The school site has a gym which provides a facility to hold community and school events. It also contains a library which is available to students. There is a preschool program housed on the campus which serves the immediate neighborhood. Sequoia also offers a grant funded after school program, Give Every Child a Chance (GECAC).

Mission Statement: Sequoia School, in partnership with our culturally and economically diverse students, parents, and community is dedicated to continued high expectations. We are committed to providing challenging academic instruction and character development in order for all students to reach their fullest potential.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials

School Facility Conditions and Planned Improvements (Most Recent Year)

The District takes great effort to ensure that all schools are clean, safe, and functional. To assist in this effort, the District uses the Facility Inspection Tool (FIT) instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the District Office. Below is more specific information on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment.

Age of School Buildings

The main campus was built in 1957, and an addition was built in 1958, and both were modernized in 1990 and again in 2015. Portable classrooms were added in 1978, 1979, 1985, 1986, 1991, 1995, 1996 (library), 1997, and a multi-purpose in 2003. The 2015/2016 modernization project included a new administration/classroom building housing and eight new classrooms, the modernization of the permanent class building, conversion of existing administration to classroom space as well as the removal of several portable classrooms. At the completion of the modernization, the campus now includes 29 permanent classrooms, 9 portable classrooms, a portable library, a multipurpose room and administration building.

Maintenance and Repair

District maintenance staff ensures that repairs necessary to keep schools in good working order are completed in a timely manner. A work order process is used to ensure efficient service and emergency repairs are given the highest priority.

Cleaning Process and Schedule

The District's governing Board has adopted cleaning standards for all schools in the District. A summary of these standards is available at the school office and at the District Office. Staff works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Deferred Maintenance Program

The District allocates funding for deferred maintenance. The Deferred Maintenance Program includes funding for replacement of existing school building components so that the educational process may safely continue. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, wall systems, floor systems, etc. The District's 2019-2020 budget allocated \$640,000 to address deferred maintenance needs throughout the district.

Modernization Projects

The District is currently modernizing the campus based upon the District's 2014 Facility Master plan. As part of that activity there are projects planned at Sequoia which were completed through the use of local funds. State funding applications for those portions of projects which may be eligible for modernization funding have been submitted. The modernization of the existing site was completed in 2017.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

Year and month of the most recent FIT report: August 2019

| System Inspected | Rating | Repair Needed and Action Taken or Planned |

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Percentage of Students Meeting or Exceeding the State Standard

| Subject | School 2017-18 | School 2018-19 | District 2017-18 | District 2018-19 | State 2017-18 | State 2018-19 |
|---|----------------|----------------|------------------|------------------|---------------|---------------|
| English Language Arts/Literacy (grades 3-8 and 11) | 36 | 41 | 46 | 47 | 50 | 50 |
| Mathematics (grades 3-8 and 11) | 19 | 19 | 28 | 29 | 38 | 39 |

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2018-19)

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2019-20)

The success of a school is strongly influenced by the support of parents and the school community as a whole. Our school enjoys parent involvement and utilizes the services of the Parent Teacher Partnership (PTP), School Site Council, as well as the English Language Advisory Committee, to support students and school programs. Contact our school's PTP at (209) 565-1710 to find out how you can get more involved with your child's education. Parents are welcomed in the classrooms, and many volunteers benefit our students' education. Parent Connect is also available for grades K-8, which allows parents to track attendance and academic progress of their student(s) in grades 4th-8th. .

Manteca Unified strives to coordinate and communicate with the community including police, fire and other governmental agencies, news media, medical agencies, and other community organizations. A few examples of such coordination and communication with community agencies include programs such as fire prevention, water safety, parks and recreation activities, bike safety, and our School Resource Officers.

Parents regularly volunteer in the classroom and are actively involved in the School Site Council, school-wide planning, parent conferences, bilingual parent support groups, and various parent committees for fundraisers and field trips. The school maintains an informational Facebook page and a website with contact and other vital information. We encourage all parents to get involved in their child's education.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

| Rate | School 2016-17 | School 2017-18 | School 2018-19 | District 2016-17 | District 2017-18 | District 2018-19 | State 2016-17 | State 2017-18 | State 2018-19 |

| Expulsions | 0.0 | 0.2 | 0.0 | 0.1 | 0.2 | 0.2 | 0.1 | 0.1 | 0.1 |

School Safety Plan (School Year 2019-20)

All school sites in the Manteca Unified School District annually update the Disaster Plan and School Safety Plan. The plan was revised by Safe Schools Consultants and Site Administration according to the required adoption process with appropriate School Site Council public hearings and School Safety Planning Committee input. Teachers and staff annually receive training on disaster procedures. Teachers and staff received ongoing training throughout the 2019-2020 school year in order to meet the appropriate guidelines established by the state. The safety plans are confirmed and approved by March 1, 2020.

Manteca Unified School District continues to make strides in the improvement of the educational climate and reduced disruptions in the classroom by “putting kids first” and asking the question, “Is it good for the children?” The safety of students and the security of campuses are high priorities in MUSD. School personnel and students participate in monthly disaster preparedness drills including specific procedures for fire, earthquake, flood, civil disturbance, and hazardous chemical situations. The school sites also focus on establishing goals that are needed.

The District has established procedures for submitting complaints against personnel and programs. An information brochure, policies, and forms are available to the public at the school site, on the District’s website, and in all offices. Also, a nondiscrimination/harassment report form is used to help staff in reporting and tracking data.

Our schools work hard to improve academic achievement and provide alternative programming for “at risk” students. In addition, authorized prevention activities include conflict resolution strategies, before and after school programs, and district-wide efforts to prevent illegal gang activities with Drug Free and Tobacco Free School Zones clearly established and posted. Our District seeks grants and utilizes the Health Services Department to meet the health and counseling needs of students.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

Types of Services Funded (Fiscal Year 2018-19)

All Manteca schools receive equal allocations of general fund support for staffing, instructional materials and supplies, custodian needs, and other uses. Funding for the support services such as maintenance of buildings and grounds, utilities, and student transportation is budgeted on a district-wide, centralized basis and provided to each school site-based on the unique needs of the individual school.

In addition to its support from the local general fund, each school in the Manteca Unified School District receives yearly allocations from various state and federal categorical programs. The purposes of these categorical programs range from improving the quality of the total instructional program for all students to addressing the unique needs of special groups of students such as limited-English proficient, academically deficient, and students at risk of dropping out of school

Manteca Unified School District continuously analyzes data to determine professional development needs. As a district we then select our major focus areas for staff development for each school year and then plan out our district professional learning calendar. Manteca Unified provides a variety of professional development methods through pull-out days, after-school trainings, conferences, observations, mentoring, and live/archived webinars. In addition, teachers are supported during implementation through in-person coaching, virtual coaching, and principal/staff meetings.
