

Be.Tech High School and Career Academies

School Accountability Report Card

Reported Using Data from the 2018-19 School Year

Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

About This School

School Contact Information (School Year 2019-20)

Entity	Contact Information
School Name	Be.Tech High School and Career Academies
Street	2271 W. Louise Ave
City, State, Zip	Manteca, Ca, 95337
Phone Number	2098587460
Principal	Carey Simoni

School Description and Mission Statement (School Year 2019-20)

About Our School:

MUVA (Be.tech High School and Career Academies) is a Manteca Unified dependent charter. Be.tech (initially named MUVA) opened its doors in August 2012, with the School of Culinary Arts & Hospitality Services. Three additional career academies followed; Industrial Technology and Design, opened in August 2013; the First Responders Academy opened in August 2014; and a Video Game Design Academy opened in 2015. Each academy is geared to providing students with job readiness competencies and technical coursework in their career pathway. While enrolled, students also complete requirements to earn their high school diploma. Academic core instruction is facilitated through a variety of modalities including teacher directed, computer-assisted, online programs, project-based learning, blended learning and core subject integration into the CTE coursework. A work experience component provides students with practical employment experience while our Advisory course, guest speakers and fieldtrip opportunities provide students with broader career and employment exposure.

The Culinary Arts students train in a state-of-the-art commercial kitchen and student-run café. They prepare the food entrees and specialty items served in the café, cater local events, learn restaurant operations and develop independent business ventures. CNC design classes introduce Industrial Technology students to the basic design and fabrications skills used in the fields of metal sheet machining, welding and manufacturing. Students utilize plasma cutters, as well as laser and 3D technology to design and fabricate individual projects. Student entrepreneurship is encouraged.

First Responder students explore the world of public safety, security and emergency services management through four first responder strands; fire, law enforcement, military and medical response teams. They learn basic personal and public safety skills, disaster preparedness, incident command systems and response protocols while training to maximize their own personal fitness level. Simulation drills and training are conducted on a mock streetscape setting that features realistic store fronts and street props built for the academy such as one would find in a downtown business area.

The Game Design Academy is a complete academic program, featuring college preparatory courses and electives focused on the design, programming, and development of video games and digital entertainment. In the core academic classes, students complete the same rigorous UC A-G college requirements as those enrolled in a traditional high school, in addition to game industry specific assignments and projects. The elective courses in the program are designed around the skillsets required to enter the video game industry, with lessons in computer programming, level design, 3D modeling, and player psychology. To supplement the computer-based skills, students participate in our be.prepared course and a character/prop design workshop. Be.prepared teaches student skills for life after high school, from basic cooking to submitting a college application and workplace soft skills. The character/prop design workshop is a game industry themed maker space, in which students learn how to use a wide range of tools and equipment to create character props and practical art, bringing their creations to life in the real world.

School Description and Mission Statement

Be.tech's vision is to be the premier provider of innovative career education in the region. The mission of Be.tech is to empower students with skills and knowledge for post-secondary opportunities in a highly personalized learn-by-doing environment. Be.tech offers all students a means to tailor their education, providing them with educational choices and career pathway options. Students benefit from small classes, blended learning and flexible scheduling. Specialized study while completing their diploma coursework gives students the opportunity to earn one or more certificates in a career field. The use of current technology, directed instruction, on-line courses and project-based learning, facilitates student learning. Students are provided extended job shadowing, internship and job opportunities to further build their skill set and resumé to prepare them for a successful career.

Be.tech is committed to preparing students to enter the work force with strong academic and career technical skills. Their course of study provides students with the ability to research, think and apply knowledge critically, communicate effectively, act responsibly, and demonstrate self-discipline. Be.tech students demonstrate strong entry level skill sets in a chosen profession coupled with documented work experience so that they can secure employment upon graduation.

Student Enrollment by Grade Level (School Year 2018-19)

Grade Level	Number of Students
Grade 9	15
Grade 10	32
Grade 11	40
Grade 12	34
Total Enrollment	121

Student Enrollment by Group (School Year 2018-19)

Student Group	Percent of Total Enrollment
Black or African American	3.3
American Indian or Alaska Native	1.7
Asian	2.5
Filipino	3.3
Hispanic or Latino	44.6
White	38
Two or More Races	6.6
Socioeconomically Disadvantaged	43
English Learners	1.7
Students with Disabilities	18.2
Homeless	4.1

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials

Teachers	School 2017-18	School 2018-19	School 2019-20	District 2019-20
With Full Credential	10	10	11	1010
Without Full Credential	1	1	1	77
Teaching Outside Subject Area of Competence (with full credential)	0	0	0	0

Teacher Misassignments and Vacant Teacher Positions

Indicator	2017-18	2018-19	2019-20
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments*	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

Year and month in which data were collected: November 2019

Most recent hearing on the sufficiency of instructional materials was on September 17th, 2019

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption?	Percent Students Lacking Own Assigned Copy
Reading/Language Arts	Eng 1 - Study Sync, McGraw-Hill (Adopted 2015) Eng 2 - Study Sync, McGraw-Hill (Adopted 2015) Eng 3 - Study Sync, McGraw-Hill (Adopted 2015) Eng 4 - Study Sync, McGraw-Hill (Adopted 2015) Special Ed – English 1 & 2 Study Sync, McGraw-Hill (Adopted 2015) Special Ed – English 3 & 4 Study Sync, McGraw-Hill (Adopted 2015)	Yes	0

School Facility Conditions and Planned Improvements (Most Recent Year)

The District takes great effort to ensure that all schools are clean, safe, and functional. To assist in this effort, the District uses the Facility Inspection Tool (FIT) instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the District Office. Below is more specific information on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment.

Age of School Buildings.

The Manteca Unified Vocational Academy (MUVA), also referred to as be. tech, building is located on the MUSD district office complex. A remodel of an existing building to house the MUVA program was completed in November 2012 and includes two classrooms (a computer lab and kitchen), a conference room, two office spaces, and the Cafe which is open to the public. In 2015/2016, six additional portables were added to the site and utilized by the program.

Maintenance and Repair

District maintenance staff ensures that repairs necessary to keep schools in good working order are completed in a timely manner. A work order process is used to ensure efficient service and emergency repairs are given the highest priority.

Cleaning Process and Schedule

The District’s governing Board has adopted cleaning standards for all schools in the District. A summary of these standards is available at the school office and at the District Office. Staff works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Deferred Maintenance Program

The District allocates funding for deferred maintenance. The Deferred Maintenance Program includes funding for replacement of existing school building components so that the educational process may safely continue. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, wall systems, floor systems, etc. The District’s 2019-2020 budget allocated \$640,000 to address deferred maintenance needs throughout the district.

Modernization Projects

The District is currently planning to renovate and modernize its schools based upon the District’s 2014 Facility Master plan. As part of that activity there are projects planned at the campus which will be completed through the use of local funds. State funding will also be sought for those projects which may be eligible for modernization funding.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

Year and month of the most recent FIT report: September 2019

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	
Interior: Interior Surfaces	Fair	Carpet repair/replacement scheduled as funding is allocated.
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	
Electrical: Electrical	Good	
Restrooms/Fountains: Restrooms, Sinks/ Fountains	Good	
Safety: Fire Safety, Hazardous Materials	Good	
Structural: Structural Damage, Roofs	Good	
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	
Overall Rating	Good	

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
English Language Arts/Literacy (grades 3-8 and 11)	18	41	46	47	50	50
Mathematics (grades 3-8 and 11)	10	8	28	29	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in ELA by Student Group

Grades Three through Eight and Grade Eleven (School Year 2018-19)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Not Tested	Percent Met or Exceeded
All Students	39	39	100.00	0.00	41.03
Male	29	29	100.00	0.00	44.83
Female	--	--	--	--	--
Black or African American	--	--	--	--	--
American Indian or Alaska Native	--	--	--	--	--
Asian	--	--	--	--	--
Filipino	--	--	--	--	--
Hispanic or Latino	22	22	100.00	0.00	31.82
Native Hawaiian or Pacific Islander					
White	--	--	--	--	--

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Not Tested	Percent Met or Exceeded
Two or More Races	--	--	--	--	--
Socioeconomically Disadvantaged	23	23	100.00	0.00	34.78
English Learners	--	--	--	--	--
Students with Disabilities	--	--	--	--	--
Students Receiving Migrant Education Services					
Foster Youth					
Homeless	--	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Test Results in Mathematics by Student Group Grades Three through Eight and Grade Eleven (School Year 2018-19)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Not Tested	Percent Met or Exceeded
All Students	39	39	100.00	0.00	7.69
Male	29	29	100.00	0.00	10.34
Female	--	--	--	--	--
Black or African American	--	--	--	--	--
American Indian or Alaska Native	--	--	--	--	--
Asian	--	--	--	--	--
Filipino	--	--	--	--	--
Hispanic or Latino	22	22	100.00	0.00	4.55
Native Hawaiian or Pacific Islander					
White	--	--	--	--	--
Two or More Races	--	--	--	--	--
Socioeconomically Disadvantaged	23	23	100.00	0.00	8.70
English Learners	--	--	--	--	--
Students with Disabilities	--	--	--	--	--
Students Receiving Migrant Education Services					

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Not Tested	Percent Met or Exceeded
Foster Youth					
Homeless	--	--	--	--	--

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Science for All Students
Grades Five, Eight, and Ten
Percentage of Students Meeting or Exceeding the State Standard**

Subject	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Science (grades 5, 8 and high school)	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

Career Technical Education Programs (School Year 2018-19)

Be.tech is a high school career academy dedicated to providing high school students with workplace skills that can transfer into any career pathway while building their technical skills in one of the four CTE academies offered at Be.tech. Students benefit from small classes and specialized study in a professional working environment leading to a high school diploma, and one or more industry-recognized certificates in their career field. Student entrepreneurship is encouraged. Career pathway classes provide students exposure to their chosen career field, career exploration and basic employment skills while they build their skill set in an industrial working environment. The use of current technology, direct instruction, on-line courses and project-based learning, facilitates student learning. Students are provided advanced classes to further develop their technical skills as well as job-shadowing, internship and job opportunities to further build their skill set and resumé to prepare them for a successful career.

Be.Tech High School Career Pathways:

- Emergency Response
- Family and Human Services
- Food Services and Hospitality
- Games and Simulations
- Product Innovation and Design
- Public Safety
- Software and Systems Development
- Welding and Materials Joining

CTE Advisory Committee Members and Industry

- Hospitality, Tourism & Recreation:
- Charles Paz – Besitos Restaurant
- Polly Smith – Woman of Woodbridge

Robert Halabicky – Delta College Culinary Arts
 Sondra Bertchtold – Fagundes meats & Catering
 Tiffany Saucedo – Chit Chat Café
 Public Services:
 Brenda Ortiz – Positive Approach to Care Trainer
 Jason Downs – Manteca Police Department
 Jodie Estarziau and Dave Bricker, Retired Police Chief – Police Chief Foundation
 Jose Lau – Federal Corrections Officer
 Katrina Garcia – Manteca Ambulance
 Mike Isham, Fire Captain and Andre Guzman, Firefighter/Engineer – Lathrop/Manteca Fire Department
 Ron Cripe, Director, Regional Fire Training Center – Modesto Junior College
 Sterrie McLeod – Manteca Fire Department
 Manufacturing & Product Development:
 Alex Taddei, Welding Instructor – San Joaquin Delta College
 Anthony Risso – Delta AC
 Scott Campbell – Barns Welding Supply
 Software & Systems Development:
 Erica Thomas – Robert Half Staffing
 Mike Roberts, 3D Modeling – Cogswell College
 Sean Montalvo – Independent Developer

Career Technical Education Participation (School Year 2018-19)

Measure	CTE Program Participation
Number of Pupils Participating in CTE	135
Percent of Pupils that Complete a CTE Program and Earn a High School Diploma	44.8
Percent of CTE Courses that are Sequenced or Articulated Between the School and Institutions of Postsecondary Education	100

Courses for University of California (UC) and/or California State University (CSU) Admission

UC/CSU Course Measure	Percent
2018-19 Pupils Enrolled in Courses Required for UC/CSU Admission	91.74
2017-18 Graduates Who Completed All Courses Required for UC/CSU Admission	11.11

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2018-19)

Grade Level	Percentage of Students Meeting Four of Six Fitness Standards	Percentage of Students Meeting Five of Six Fitness Standards	Percentage of Students Meeting Six of Six Fitness Standards
9	31.2	18.8	12.5

Note: Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2019-20)

Opportunities for Parent Involvement:

The success of students is impacted by the support and collaboration of the Be.tech faculty, local business community, and parents. The school invites parent involvement and enjoys collaboration with Manteca Unified Educational Services, industry partners, local community service organizations and businesses. The school works with local businesses to provide students with hands on learning experiences and opportunities to practice skills needed in the workplace as well as provide employment opportunities. Local high school events, school activities, and job skill training and employment opportunities are communicated to students and parents via the school website, social media and written correspondence.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates.

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2015-16	School 2016-17	School 2017-18	District 2015-16	District 2016-17	District 2017-18	State 2015-16	State 2016-17	State 2017-18
Dropout Rate	6.6	24.1	0	3.5	3.3	2.9	9.7	9.1	9.6
Graduation Rate	81.1	51.7	94.8	93	92.4	93.4	83.8	82.7	83

For the formula to calculate the 2016-17 and 2017-18 adjusted cohort graduation rate, see the 2018-19 Data Element Definitions document located on the SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Rate	School 2016-17	School 2017-18	School 2018-19	District 2016-17	District 2017-18	District 2018-19	State 2016-17	State 2017-18	State 2018-19
Suspensions	3.1	10.6	10.8	6.5	5.2	5.2	3.6	3.5	3.5
Expulsions	0.0	0.0	1.4	0.1	0.2	0.2	0.1	0.1	0.1

School Safety Plan (School Year 2019-20)

All school sites in the Manteca Unified School District annually update the Disaster Plan and School Safety Plan. The plan was revised by Safe Schools Consultants and Site Administration according to the required adoption process with appropriate School Site Council public hearings and School Safety Planning Committee input. Teachers and staff annually receive training on disaster procedures. Teachers and staff received ongoing training throughout the 2019-2020 school year in order to meet the appropriate guidelines established by the state. The safety plans are confirmed and approved by March 1, 2020.

Manteca Unified School District continues to make strides in the improvement of the educational climate and reduced disruptions in the classroom by “putting kids first” and asking the question, “Is it good for the children?” The safety of students and the security of campuses are high priorities in MUSD. School personnel and students participate in monthly disaster preparedness drills including specific procedures for fire, earthquake, flood, civil disturbance, and hazardous chemical situations. The school sites also focus on establishing goals that are needed.

The District has established procedures for submitting complaints against personnel and programs. An information brochure, policies, and forms are available to the public at the school site, on the District’s website, and in all offices. Also, a nondiscrimination/harassment report form is used to help staff in reporting and tracking data.

Our schools work hard to improve academic achievement and provide alternative programming for “at risk” students. In addition, authorized prevention activities include conflict resolution strategies, before and after school programs, and district-wide efforts to prevent illegal gang activities with Drug Free and Tobacco Free School Zones clearly established and posted. Our District seeks grants and utilizes the Health Services Department to meet the health and counseling needs of students.

Average Class Size and Class Size Distribution (Secondary)

Subject	2016-17	2016-17	2016-17	2016-17	2017-18	2017-18	2017-18	2017-18	2018-19	2018-19	2018-19	2018-19
	Average Class Size	# of Classes* Size 1-22	# of Classes* Size 23-32	# of Classes* Size 33+	Average Class Size	# of Classes* Size 1-22	# of Classes* Size 23-32	# of Classes* Size 33+	Average Class Size	# of Classes* Size 1-22	# of Classes* Size 23-32	# of Classes* Size 33+
English	8	17	1		12	10	2		10	9	1	
Mathematics	6	12			11	8			9	10		
Science	6	8			16	4			12	3		
Social Science	7	14	1		17	6	1		10	8		

*Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Ratio of Academic Counselors to Pupils (School Year 2018-19)

Title	Ratio
Academic Counselors*	.0

*One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Student Support Services Staff (School Year 2018-19)

Title	Number of FTE* Assigned to School
Counselor (Academic, Social/Behavioral or Career Development)	
Library Media Teacher (Librarian)	
Library Media Services Staff (Paraprofessional)	
Psychologist	
Social Worker	
Speech/Language/Hearing Specialist	
Resource Specialist (non-teaching)	

*One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Expenditures Per Pupil and School Site Teacher Salaries (Fiscal Year 2017-18)

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	16620.39	2842.21	9778.19	75756.24
District	N/A	N/A	4566.28	\$80,285.00
Percent Difference - School Site and District	N/A	N/A	72.7	-5.8
State	N/A	N/A	\$7,506.64	\$82,403.00
Percent Difference - School Site and State	N/A	N/A	26.3	-8.4

Note: Cells with N/A values do not require data.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

Teacher and Administrative Salaries (Fiscal Year 2017-18)

Category	District Amount	State Average For Districts In Same Category

All courses		

Note: Cells with N/A values do not require data.

*Where there are student course enrollments of at least one student.

Professional Development (Most Recent Three Years)

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	84	84	107

Manteca Unified School District continuously analyzes data to determine professional development needs. As a district we then select our major focus areas for staff development for each school year and then plan out our district professional learning calendar. Manteca Unified provides a variety of professional development methods through pull-out days, after-school trainings, conferences, observations, mentoring, and live/archived webinars. In addition, teachers are supported during implementation through in-person coaching, virtual coaching, and principal/staff meetings.
