

GET INTERNET SERVICE IN YOUR HOME

1 VISIT THE NEAREST MUSD CAMPUS

Take a quick drive or walk to the MUSD school campus parking lot nearest you. Be sure to bring your student(s) device.

2

ACCESS MUSD WIFI

On your student's device, access the WIFI network named "MUSD Guest" or "MUSD Wireless." You will not be required to enter a password.

3 DOWNLOAD HOMEWORK AND OTHER ASSIGNMENTS

In the Microsoft Teams app, view and download all assigned work. Downloading the assignments will allow your student to access them with no internet connection.

NEED ACCESS AT HOME

Visit www.everyoneone.org. Click "Find Offers" in the top right corner and enter your zip code. The website will display free or low-cost internet offers in your area of residence.

4

SELECT YOUR OFFER

Select the internet offer that best suits your family, and complete the application. Be sure to write down any phone numbers listed, so you can follow up with them after!
